Search

At BVNA Search, results define us.

With years of experience navigating the world's most competitive energy markets, we bring a depth of insight that enables us to address the complex and evolving needs of the clean energy sector.

Since 2013, BVNA Search (formerly Bavana Partners) has stood at the forefront of talent advisory for the energy transition partnering exclusively with companies driving the global shift to a more sustainable future. We are a global search and human capital advisory firm, trusted by industry leaders to deliver top-tier talent. We partner with a diverse client base from independent power producers (IPPs), utilities, developers, EPCs, and OEMs to global consultancies, investment platforms, and high-growth technology start-ups all working to accelerate the world's clean energy future.

Our strength lies in our deep market intelligence and a proven track record operating in commercially complex and rapidly evolving environments. Backed by a global network of over 20,000 senior executives, we provide our clients with unrivaled access to transformative talent. Whether navigating growth, change, or innovation, BVNA is the partner of choice for organizations building what's next. Backed by cutting-edge recruitment technology and a commitment to innovation, BVNA delivers precision, speed, and impact for organizations building what's next.

Our Edge. Your Advantage.

Built on Partnership, Not Transactions

We take a long-term, collaborative approach built on trust, transparency, and shared goals. Our team is fully committed to understanding your business, anticipating challenges, and acting as a seamless extension of your internal talent function. This is a partnership built for growth, not a transaction built for closure.

Intelligence-Driven. People-Focused.

We combine data-led market intelligence with human insight to ensure every hire aligns with your culture, strategy, and vision. Our approach goes beyond CVs, it's about connecting people who will drive your mission of operational excellence and sustainable growth.

Equity in Every Outcome

As a partner-owned firm, we're not just employees delivering a service, we're stakeholders personally invested in every assignment. That means we go further, think deeper, and stay accountable long after a placement is made because we have real skin in the game.

Uncompromising Standards, Unrivalled Talent

We hold ourselves to the highest standards, ensuring your gains access to elite talent, often before it reaches the market. Every placement reflects our dedication to precision, performance, and lasting impact.

Our Expertise

Backed by deep market insight and a global network, our team will help you attract, assess, and retain the people who will shape the future of your organization.

Renewable Energy

In a competitive, candidate-driven market, Retained Search guarantees dedicated focus and delivery. We work exclusively on your mandate, providing market intelligence, progress tracking, and pre-booked shortlisting milestones to ensure timely, successful hires often for critical or time-sensitive roles. Guaranteed commitment. Guaranteed results.

Recruitment Process Outsourcing

Our RPO model embeds seamlessly into your organization, managing end-to-end hiring while you focus on core operations. Ideal for companies without a dedicated in-house function, we bring structure, insight, and scalability to your talent strategy. Outsource recruitment. Optimize performance.

Executive Search

Executive Search is at the core of what we do. We identify transformative leaders who align with your culture, drive strategy, and deliver impact. Our process is rigorous, data-informed, and values-driven designed to secure top talent at C-suite, VP, and Director levels, regardless of their job search status. We don't just find leaders. We find the right ones.

Contingent Search

Our Contingent Search solution offers fast, high-impact support with no upfront cost. We blend urgency with precision delivering talent that fits both the role and your culture. Backed by deep industry knowledge, we act as true partners, not just providers. Agile hiring. Lasting impact.

Advisory for Talent, Brand & Growth

We connect talent strategy with business growth. Our advisory services help you build strong employer brands, plan your workforce, improve diversity, and make data-driven decisions. Whether you're scaling, entering new markets, or transforming culture, we deliver clarity and competitive advantage. Insight meets execution.

What You Can Expect

100% Commitment. Every Time.

As a partner-owned firm, our name is on the line with every placement. That means no shortcuts, no offloads, just direct accountability and relentless delivery.

Speed Without Compromise

Shortlists delivered in 10–14 working days on average. Because timing matters but quality matters more.

Strategic Hires That Stick

92% of placements are still in-post after 2 years. We match not only on capability but on culture, mission, and long-term alignment.

Access to Hidden Talent

82% of our successful hires come from passive candidate pools, sourced through direct outreach, referral networks, and confidential mapping, not job boards.

Our value isn't in what we offer, it's in what we achieve. Results.

At BVNA, our value to your business isn't just in what we offer, it's in what we deliver: measurable results, lasting partnerships, and exceptional talent that powers growth.

Candidate Experience

At BVNA, we prioritize lasting partnerships over one-off transactions. Our focus isn't on making quick placements but on supporting the long-term success of careers within your business. That means delivering honest advice, deep market insight, and connecting you with candidates whose goals and values align with your own.

Empowering Careers. Building Futures.

"One of the things I'm most proud of is how many of our candidates come back to us as clients. It's the strongest vote of confidence you can get, a sign that the experience we deliver doesn't just work, it builds lasting trust."

— Kenny Okoye, Founder, BVNA Search

Our Process

At BVNA, our value to your isn't just in what we offer, it's in what we deliver: measurable results, lasting partnerships, and exceptional talent that powers growth.

Step 1

Defining the Need

We begin by gaining a deep understanding of your business priorities, project pipeline, and team structure. Together, we align on objectives, priorities, and timelines before search begins.

Step 2

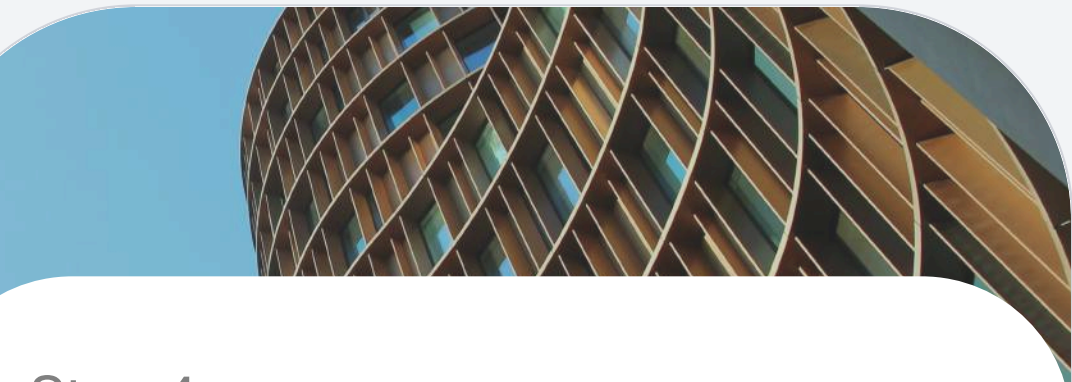

Targeted Search & Selection

Using market intelligence and our exclusive candidate networks, we identify top talent with the right mix of skills, ambition, and cultural fit, even those not actively looking but align with your culture, agility, and global standards.

Step 3

Rigorous Evaluation

Every candidate undergoes structured, competency-based interviews and our 360° referencing process, offering insight from past employers, peers, and team members.

Step 4

Transparent Communication

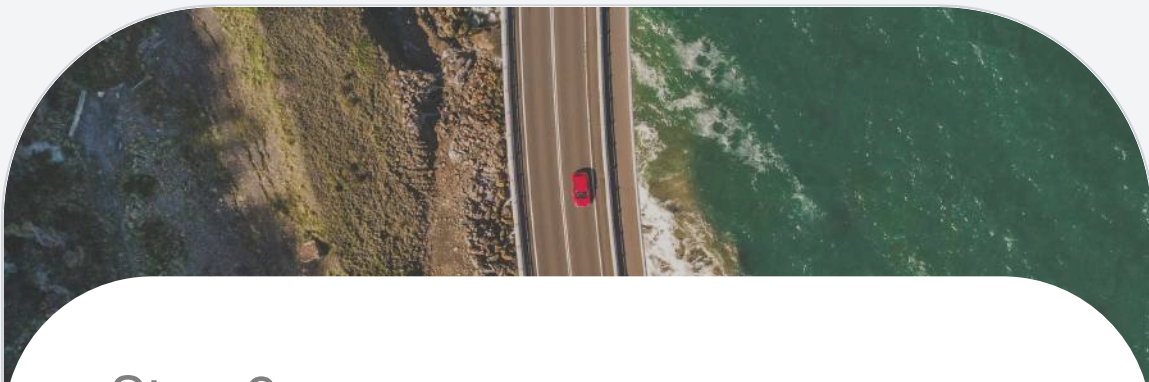

We manage each search as a project, providing consistent updates, clear timelines, and open access to our team from start to finish. You will always have full visibility of progress, challenges, and recommendations throughout the search.

Step 5

Offer & Onboarding

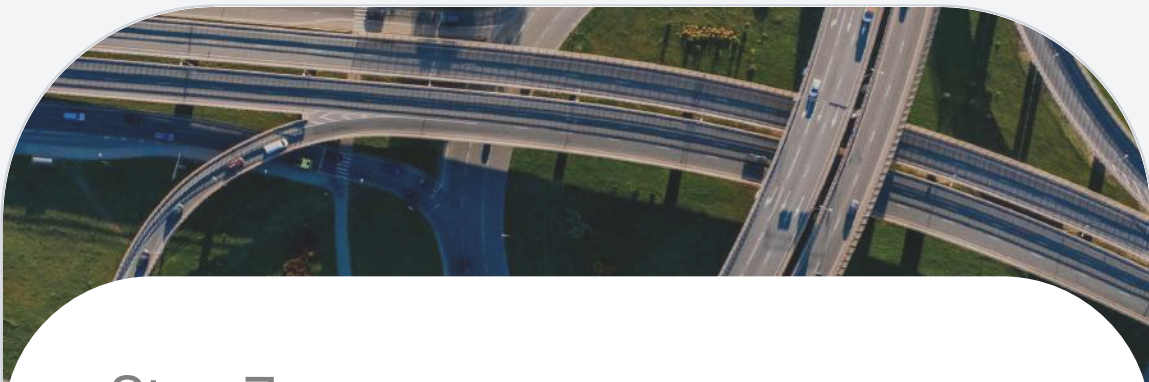

We support your through every step of the offer process from benchmarking and negotiation to onboarding coordination. Our proven approach ensures a 95% completion rate.

Step 6

Seamless Integration

We stay involved in post-placement, guiding onboarding and early performance milestones to reduce turnover and maximise success for you.

Step 7

Performance Review

We value honest feedback. After each assignment, we review outcomes with you to continually raise our standards and deepen our partnership.

Track Record

We take immense pride in maintaining an industry-leading 95% completion rate for assignments, a testament to our unwavering commitment to delivering successful outcomes for our clients. Moreover, our track record speaks for itself, with over 80% of our valued clients choosing to partner with us repeatedly over the last five years. Our expertise extends beyond merely accessing active candidates; we have proven track record in identifying and engaging with the 'not active' talent pool, both locally and internationally. This invaluable capability allows us to tap into the best available talent, even in commercially challenging and culturally sensitive markets.

With BVNA Search as your trusted ally, you gain access to a wealth of experience, a global network, and a relentless pursuit of excellence. Our results-driven approach, paired with our deep understanding of specialized markets is why we are the partner of choice in the renewable energy market.

“I derive a great sense of satisfaction and pride from the quality of our client work, particularly those mandates successfully delivered in spite of very challenging conditions.”

— Kenny Okoye, Founder, BVNA Search
